

The Dirty Boogie

Stray Cats

I got a little boogie, but it ain't too clean

It's real low down, and it's kinda mean

Dirty boogie, dirty boogie

When I get low down, it's the dirty boogie for me Dirty boogie

What's it called?

Dirty boogie

Hey, you all Dirty boogie

How's it go?

Dirty boogie

Not too slow When I get low down, it's the dirty boogie for me Well, you shatter and sink and you moan and groan

A girl like you I could never bring home

Dirty boogie, dirty boogie

When I get low down, it's the dirty boogie for me Dirty boogie

What's it called?

Dirty boogie

Hey, you all Dirty boogie

How's it go?

Dirty boogie

Not too slow When I get low down, it's the dirty boogie for me

Let it go, let it go, alright Shake and moan and groan

I don't think it's gonna call you home

Dirty boogie, dirty boogie

When I get low down, it's the dirty boogie for me Dirty boogie

What's it called?

Dirty boogie

Hey, you all Dirty boogie

How's it go?

Dirty boogie

Not too slow When I get low down, it's the dirty boogie for me
