

Weary Blues From Waitin'

Hank Williams

Words and music by hank williams, sr.

Capo: 3rd fret key: f play: d

The [d] snow falls [g] 'round my [d] window

But [g] it can't chill my [d] heart

God [g] knows it died the [d] day you left

My dream world [a7] fell a-[d] part.

Chorus

Weary [d] blu-ue-ue [g] ues from [d] waitin'

Lord, I've been [e7] waitin' too [a7] long

These [d] blues have [g] got me [d] cryin'

Oh, sweet ma-a-ma, [a7] please come [d] home.

Thru tears I watch young lovers

As they go strollin' by

Oh, all the things that might have been

God forgive me if I cry.

Chorus
