

Danny's Song (Duet With Martina McBride)

[Anne Murray](#)

People smile and tell me I'm the lucky one
And we've just begun, I think I'm gonna have a son
He will be like you and me, as free as a dove
Conceived in love, the sun is gonna shine above And even though we ain't got money
I'm so in love with ya honey
Everything bring a chain of love
And in the morning when I rise
Bring a tear of joy to my eyes
And tell me every thing's gonna be all right Love a guy who holds the world in a paper cup
Drink it up, love him and he'll bring you luck
And if ya find he helps your mind, better take him home
Yeah 'n don't you live alone, try to earn what lovers own And even though we ain't got money
I'm so in love with ya honey
Everything bring a chain of love
And in the morning when I rise
Bring a tear of joy to my eyes
And tell me every thing's gonna be all right
