

# Back In L.A.

Neil Diamond

Oh yeah

I never never knew the sun could feel so good,

And for a while I thought it never would, then I got home and finally understood!

Its good to be back in L.A. again Good to be back on my own ground Its good to be back home in L.A.

again Good to be back in my home town

Oh yeah

I've traveled down the streets of Amsterdam,

Sung to a princess that I called her mam

Hung out in London and in Paris, France. Its good to be back in L.A. again

Good to be back on my own ground

Its good to be back home in L.A. again

Good to be back in my home town! Hey this is my world. Oh yeah. For the better or the worse Oh no! And this is my life. Oh yeah! You don't get to rehearse. Oh no! This is my time, and I like being free. I know I can do it, if LA is there for me!

Oh yeah, I never knew the sun could shine so bright,

I can't remember where I stayed last night, but now I'm home and everything is all right! Good to be back in LA

OH yeah!
