Brand New You

Soulmotor

Disrespect
That's all that you do to me
So messed up
The way that you treat me
Brace yourself
There's something I want you to know (you should know)

You play some bull
Is one way of saying it
You've made your bet
And now you can lay in it
'Cause one day soon
I'll have a brand new you (you you)

He's gunna walk like you
Exact same anatomy
Talk like you
Except he knows how to be
Sweet and kind
Shouldn't be so hard to find
Does it make you mad?

[Chorus]
When your thinking back
To the starting line
Back when I was yours
And you were mine
You took me for granted
So I found a brand new you (brand new you)

And when you see me
Around this time
I hope you see that
I'm doing fine
And it's been better
Since I found a brand new you
(Since I found a brand new you)

I know that you
Hate that I'm over it

I don't even
Miss you a little bit
I'm so glad
I found a brand new you
(New you)

He's gunna walk like you
Exact same anatomy
Talk like you
Except he's so good to me
You were blind
Thinking you were one of a kind
Does it make you mad?

[Chorus]

Found a brand new you
Oh oh yeah
Found a brand new you

I know that you
Hate that I'm over it
I don't even
Miss you a little bit
I'm so glad
I found a brand new you
(New you)

Does it make you mad?

[Chorus]
