Forevermore

Marcus Miller

Long before the earth
Before there was light
Lord You were
Endless are You God
No time can contain all you are
There's no other God before You
There is no other one to replace you
You are forevermore
And there's no other God I call to
You are the One I cling to
You are forevermore
Faithful are You God
You never change
Lord You are
Only You are God
Forever You reign above it all
There's no other God before You
There is no other one to replace You
You are forevermore
And there's no other God I call to
You are the One I cling to

You are forevermore
There's no other
No on Greater
There is none like You
There's no other
No on Geater
There is none like You
There's no other God before You
There is no other one to replace you
You are forevermore
And there's no other god I call to
You are the one I cling to
You are forevermore
There's no other God before You
There is no other one to replace you
You are forevermore
And there's no other god I call to

You are the one I cling to
You are forevermore
You are forevermore
