

# Forevermore

Marcus Miller

Long before the earth  
Before there was light  
    Lord You were  
    Endless are You God  
No time can contain all you are  
There's no other God before You  
There is no other one to replace you  
    You are forevermore  
And there's no other God I call to  
    You are the One I cling to  
    You are forevermore  
    Faithful are You God  
    You never change  
    Lord You are  
    Only You are God  
    Forever You reign above it all  
There's no other God before You  
There is no other one to replace You  
    You are forevermore  
And there's no other God I call to  
    You are the One I cling to  
  
    You are forevermore  
    There's no other  
    No on Greater  
    There is none like You  
    There's no other  
    No on Geater  
    There is none like You  
There's no other God before You  
There is no other one to replace you  
    You are forevermore  
And there's no other god I call to  
    You are the one I cling to  
    You are forevermore  
There's no other God before You  
There is no other one to replace you  
    You are forevermore  
And there's no other god I call to

You are the one I cling to  
You are forevermore  
You are forevermore
