

It Just Happened That Way

Dean Martin

I didn't plan to fall in love with you
It just happened that way
And all the time inside my heart I knew
That I'd regret it some day
Now I can't stand to be away from you
But I'm alone ever'day
I didn't plan to fall in love with you
It just happened that way. I saw you, and loved you
Why, I'll never know
There wasn't one chance in a million
That our love would grow
You were too far above me
Any fool could plainly see
But like driftwood on the river
I floated on helplessly I didn't plan to fall in love with you
Oh, it just happened that way
And all the time inside my heart I knew
That I'd regret it someday
Now I can't stand to be away from you
But I'm alone ever'day
I didn't plan to fall in love with you
It just happened that way
