

# Mother Earth (Elements Live)

## Within Temptation

Birds and butterflies  
Rivers and mountains she creates  
But you'll never know  
The next move she'll make You can try  
But it is useless to ask why  
Cannot control her  
She goes her own way She rules until the end of time  
She gives and she takes  
She rules until the end of time  
She goes her way With every breath  
And all the choices that we make  
We are only passing through  
On her way I find my strength  
Believing that their soul lives on  
Until the end of time  
I'll carry them with me She rules until the end of time  
She gives and she takes  
She rules until the end of time  
She goes her way Once you will know my dear  
You don't have to fear  
A new beginning  
Always starts at the end Once you will know my dear  
You don't have to fear  
Until the end of time  
Until the end of time  
Until the end of time  
She goes her way She rules until the end of time  
She gives and she takes  
She rules until the end of time  
Until the end of time  
Until the end of time  
She goes her way
