Set Me Free

John Legend

(verse 1)
Late in the evening
City sleeping
All through the night
This feelings creeping on me
So readySoul is waiting
Bodys aching
Caught and imprisoned
My own making
Im so, so ready
Im so gone, come get me
Wont you come?(chorus)
Set me free
Make me yours again
(Free)
In your arms again
(Free)
Wont you come and dance with me(verse 2)
Throw out the lifeline
Ive been sinking
Going out of my mind
Ive been thinking
If I could hold her
Make this storm blow overGive me a taste of satisfaction
Oh, I need to learn her
I need her faster
Im so wide open
Wont you come right over?
Wont you come?(chorus)
Set me free
Make me yours again
(Free)
In your arms again
(Free)
Wont you come and dance with me(bridge x2)
Ive been looking for a light
Let it shine
Let it shine
Youve been running through my mind

All this time
All this time(Outro)
Set me free
Free
I feel like
Oh, to be free
