Up and Down, Round and Round

Kidsongs

Up and down and round and round
Ride on the carousel with me
Near or far we'll catch a star
Isn't it swell
To ride on the carouselSee all the rainbow riders
You don't wanna be left behind
Hurry and get your ticket
Wait patiently in line
Up and down and round and round
Ride on the carousel with me
Near or far we'll catch a star
Isn't it swell
To ride on the carouselI got a horse that's fast
But he's not as fast as mine
Up in the clouds we're flying
Oh no, it's slowing
Time to be going
Can I race you one more time?
Up and down and round and round
Ride on the carousel with me
Near or far we'll catch a star
Isn't it swell
To ride on the carousel
To ride on the carousel
To ride on the carousel
