

# Up and Down, Round and Round

## Kidsongs

Up and down and round and round  
Ride on the carousel with me  
Near or far we'll catch a star  
Isn't it swell

To ride on the carousel See all the rainbow riders  
You don't wanna be left behind  
Hurry and get your ticket  
Wait patiently in line

Up and down and round and round  
Ride on the carousel with me  
Near or far we'll catch a star  
Isn't it swell

To ride on the carousel I got a horse that's fast  
But he's not as fast as mine  
Up in the clouds we're flying  
Oh no, it's slowing  
Time to be going

Can I race you one more time?  
Up and down and round and round  
Ride on the carousel with me  
Near or far we'll catch a star  
Isn't it swell

To ride on the carousel  
To ride on the carousel  
To ride on the carousel
