

# Mercy

## Travis Atreo

The miles ahead aren't getting older  
and I am lost in the view  
The weight is too hard to shoulder  
and I'm dying from something new  
But staring back is my story  
of a time better than now  
I miss the moments you'd hold me  
I need to get back somehow Tell me where you are right now  
I'm singing out Mercy mercy mercy mercy  
Mercy mercy mercy mercy, baby  
I didn't know that you would hurt me  
But I will find my way  
To come back home  
woo-oo woo oh, woo-oo woo oh  
woo-oo woo oh  
Some will think that I'm crazy  
or maybe I've lost my mind  
Although the future is hazy  
I know in my heart that you're still mine Mercy mercy mercy mercy  
Mercy mercy mercy mercy, baby  
I didn't know that you would hurt me  
But I will find my way  
To come back home I don't know where you are  
But I can see clear now through the stars Mercy mercy mercy mercy  
Mercy mercy mercy mercy, yeah  
I didn't know that you would hurt me  
But I will find my way  
To come back home  
Mercy Mercy Mercy Mercy  
My way back home  
I will find my way, find my way yeah  
But I will find my way  
To come back home
