

# Get This Money

Jamie Foxx

Shorty, trust me when I say  
You're looking John Blaze in your lingerie  
And Shorty, I like the way you play and move about on stage  
I won't be mad at you for swingin' it my way I've got my money on you  
Big faces spankin' brand new  
While I'm here this is what you need to do  
Come and get this money If you don't want everyone to see  
Just how naughty you can really be  
We can ease off to the V.I.P.  
Come and get this money Not too many wear it quite as well  
You take care of yourself, it ain't hard to tell, no  
Not too many can go into a split  
From standin' to a sit, I ain't mad at you, not one bit I've got my money on you  
Big faces spankin' brand new  
While I'm here this is what you need to do  
Come and get this money If you don't want everyone to see  
Just how naughty you can really be  
We can ease off to the V.I.P.  
Come and get this money I got more than 5 on it  
(Dance for me, dance for me)  
I see you got your eyes on it  
(Dance for me, dance for me)  
So act like you know  
Are you tryin' to get this dough or what?  
(Are you tryin' to this money?) I got more than 5 on it  
(Dance for me, dance for me)  
I see you got your eyes on it  
(Dance for me, dance for me)  
So act like you know  
Are you tryin' to get this dough or what?  
(Got my money on you) I've got my money on you  
Big faces spankin' brand new  
While I'm here this is what you need to do  
Come and get this money If you don't want everyone to see  
Just how naughty you can really be  
We can ease off to the V.I.P.  
Come and get this money I've got my money on you  
Big faces spankin' brand new  
While I'm here this is what you need to do

Come and get this money If you don't want everyone to see  
Just how naughty you can really be  
We can ease off to the V.I.P.  
Come and get this money
