What Would You Do?

Nathaniel Mayer

Hello, ladies
(Hello)
How are yall doin tonight?
(Fine)
Can I keep it real?
(Yes)
And say whats on my mind
(Yes)There you are in that chair
Waiting for me to take you there
To break it down and sing to you
And make you feel these words are true(By hand)
Whos gonna be the lucky one?
(By screams)
Who spend some money on em and have some fun?
Tell me, I choose you(What would you do?)
What would you do if I said all of these words were true?
(What would you?)
What would you do if I came down here and sat with you?
(What would you do?)
What would you do if I told the band to break it down?
(Oh)
What would you do if I said I wanna lay you down?(What?)
What would you do if I put this money in your hand?
(Would you do?)
What would you do if I said Id like to be your man?
(What would you do, baby?)
What would you do if I brought you up here on this stage?
What would you do? What would you do?
(Tell me)The lights are down
(Yeah)
The mood is set
(Yeah)
The sound is right, Im heated
Look to my left and check my crowd
Look to my right to see if they are ready now
(Yeah)(By hand)
Tell me who out there feels lucky
(By screams)
Wants me to take em shopping and buy em everything

I choose you(Now what would you do? Yeah)
What would you do if I said all of these words were true?
(What would you do?)
What would you do if I came down here and sat with you?
(What, what?)
What would you do if I told the band to break it down?
(Break it down)
What would you do if I said I wanna lay you down?
(Oh)What would you do if I put this money in your hand?
(Put this money on your hand, baby)
What would you do if I said Id like to be your man?
(Be your man)
What would you do if I brought you up here on this stage?
(Right up here)
What would you do? What would you do?
(What if I got you?)Hair done
(Yeah)
Nails done
(Yes, I will)
Toes done
(And)
Bank account
(Ill even take you)
Shoppin
(Girl, I will)
If you be good
(Youll have)
Your own car
(And the)
Platinum credit cards(What would you do, baby?)
What would you do if I said all of these words were true?
(What would you do?)
What would you do if I came down here and sat with you?
(What would you do, girl?)
What would you do if I told the band to break it down?
What would you do if I said I wanna lay you down?
(Said I gotta know, Ive gotta know)What would you do if I put this money in your hand?
(Right in your hands)
What would you do if I said Id like to be your man?
(What would you do?)
What would you do if I brought you up here on this stage?
(On this stage, what?)
What would you do? What would you do?(Ladies, its show time)
What would you do if I said all of these words were true?
(Sit back and unwind)

What would you do if I came down here and sat with you?
(Im bout to make you mine)
What would you do if I told the band to break it down?
(Oh)
What would you do if I said I wanna lay you down?I wanna know
(I wanna know)
I wanna know
(I wanna know)
I wanna know
(I wanna know)
I wanna know
(I wanna know)What would you do?
(What would you do?)

(What would you do?)
What would you do?
(What would you do?)
