Safe and Sound

Capital Cities

I could lift you up I could show you what you wanna see And take you where you wanna be You could be my luck Even if the sky is falling down I know that we'll be safe and sound We're safe and sound!I could fill your cup You know my river won't evaporate This world will still appreciate You could be my luck Even in a hurricane of frowns I know that we'll be safe and sound!(Safe and sound) We're safe and sound (Safe and sound) We're safe and sound (Hold your ground) We're safe and sound (Safe and sound)I could show you love In a tidal wave of mystery You'll still be standing next to me You could be my luck Even if we're six feet underground I know that we'll be safe and sound We're safe and sound!Safe and sound Safe and sound Hold your ground Safe and soundI could lift you up I could show you what you wanna see And take you where you wanna be You could be my luck Even if the sky is falling down I know that we'll be safe and sound!I could lift you up I could show you what you wanna see And take you where you wanna be You could be my luck Even if the sky is falling down I know that we'll be safe and sound!We're safe and sound We're safe and sound

We're safe and sound

We're safe and sound(Safe and sound)
We're safe and sound
(Safe and sound)
We're safe and sound
(Hold your ground)
We're safe and sound
(Safe and sound)
We're safe and sound!
