Never Going Back

Caveman

Changed my mind
In a lonely room
I won't take you down in the morning
So, I'm wide awake
When the day is done
Just light leads me back again
Changed my mind
When I fell for you
I wanna know what is like
But I can't pull through
So, I'm wide awake
And the day is done
Just the light leads me back again
Uuh uuh
Never going back again
Uuh uuh
Never going back againChanged my mind
Just to see it what's look
I wanna do it first
To make it through
So, I'm wide awake
And the feeling's gone
Just the light leads me back againUuh uuh
Never going back again
Uuh uuh
Never going back again
Uuh uuh
Never going back again
Uuh uuh
Never going back again
Uuh uuh
Never going back again
