

# Finland

## National Anthem's Band

Finland, Finland, Finland  
The country where I want to be  
Pony trekking or camping  
Or just watching TV  
Finland, Finland, Finland  
It's the country for me You're so near to Russia  
So far from Japan  
Quite a long way from Cairo  
Lots of miles from Vietnam Finland, Finland, Finland  
The country where I want to be  
Eating breakfast or dinner  
Or snack lunch in the hall  
Finland, Finland, Finland  
Finland has it all You're so sadly neglected  
And often ignored  
A poor second to Belgium  
When going abroad Finland, Finland, Finland  
The country where I quite want to be  
Your mountains so lofty  
Your treetops so tall  
Finland, Finland, Finland  
Finland has it all Oh focus on Finland friends Finland, Finland, Finland  
The country where I quite want to be  
Your mountains so lofty  
Your treetops so tall  
Finland, Finland, Finland  
Finland has it all, Finland has it all
