

I Want To Love You

Tina Arena

We see the same sun in the sky
We see the same stars every night
I wanna be there in the dark
When your world falls apart I wanna break through every wall
Just to show you I am yours
And take a chance on you again
You are my everything For you I dream of what could be
I'd write a thousand symphonies
I'd lose it all to get you back
You are everything I wanna love you but my head says no
I wanna kiss you but I don't come close
I wanna tell you that I love you so
I'm doing it all for your love
But I know that it's never enough Oh, whoa oa, oh, oh
Oh no it's never enough, never enough
Oh, whoa oa, oh, oh Living in between the lights
Missing you before we say goodbye
It's you I love the most
But are we chasing ghosts? When I go to sleep at night
I wanna feel you by my side
For you I'd bleed I'd die
To see you when I open my eyes For you I dream of what could be
I'd write a thousand symphonies
I'd lose it all to get you back
You are everything I wanna love you but my head says no
I wanna kiss you but I don't come close
I wanna tell you that I love you so
I'm doing it all for your love
But I know that it's never enough Oh, whoa oa, oh, oh
Oh no it's never enough, never enough How long must I wait?
How long must I wait for you, I'll wait for you
How long must I wait?
How long must I wait for you, I'll wait for you, yeah I wanna love you but my head says no
I wanna kiss you but I don't come close
I wanna tell you that I love you so
I'm doing it all for your love
But I know that it's never enough Oh, whoa oa, oh, oh
No it's never enough, never enough
Oh, whoa oa, oh, oh
