

# Clean

## Áenloco

Use me as much as you can  
'Cause you've never been  
More than a friend  
Cause I try and push you away  
And make myself clean  
And forget you hurt me

Clean  
I don't want to be  
I don't need to be  
I don't want to be

Pressure the less that I feel  
The more that I heal  
And put back the peices  
'Cause you keep taking my soul  
Keep letting it go  
Your setting me free

You keep bringing me down  
Keep my head above ground  
The ground that I lay  
'Cause I try myself everyday  
You say its ok for bringing me pain

Clean  
I don't want to be  
I don't need to be  
I don't want to be

Clean  
I don't want to be  
I don't need to be  
I don't want to be

And when I step outside this place  
All I feel is empty  
And when I look into your face  
All I see is emptiness

Clean  
I don't want to be  
I don't need to be  
I don't want to be

Clean  
I don't want to be  
I don't need to be  
I don't want to be

Clean  
I don't want to be (clean!)  
I don't need to be (clean!)

Clean  
I don't want to be (clean!)  
I don't need to be (clean!)

I don't want to be
