

# In the Eyes of Idols

## Witherscape

Dawning of a new day  
Seven A.M. rise  
Escape from the darkness  
They wake the pain  
Released from solitude  
Feeding in the common hall  
Interact the social  
Waiting for the water drawPatterns emerge within their dreams  
Teaching him like father to son  
Finding a way to heal the world  
With the Fear they know  
Murder the path of dependence  
Leading the faithful as they fall  
Murder the path of dependence  
He writhes in the pain of who they are  
Murder the path of dependence  
Pray for the sick when life is the goal  
Fall of dependence  
Tearing them down  
Tearing them downExamine the urgent  
This mode of life steals the day  
Peering in the eyes of idols  
To discover something strange  
What is this he witnessed?  
Exposed as a gift in time  
Sickness revealed as a talent  
May the wonder reign  
Looking beyond their focused mind  
Trying to grasp reality  
Calling out to heal the faithless  
Understanding the kindMurder the path of dependence  
Leading the faithful as they fall  
Murder the path of dependence  
He writhes in the pain of who they are  
Murder the path of dependence  
Pray for the sick when life is the goal  
Fall of dependence, will lead him to failMurder the path of dependence  
Leading the faithful as they fall  
Murder the path of dependence

He writhes in the pain of who they are  
Murder the path of dependence  
Pray for the sick when life is the goal  
Fall of dependence, failing the cause  
Failing the cause
