

I Can't Quit You Baby (23/3/69 Top Gear)

Led Zeppelin

I can't quit you baby
So I'm gonna put you down for awhile
I said I can't quit you baby
I guess I gotta put you down for awhile
Said you messed up my happy home
Made me mistreat my only child
Yes sir you did! Said you know I love you baby
My love for you I could never hide
Oh, you know I love you baby
My love for you I could never hide
Oh when I feel you near me little girl
I know you are my one desire When you hear me moaning and groaning, baby,
You know it hurts me deep down inside
When you hear me moaning and groaning, baby,
You know it hurts me deep down inside
Oh, when you hear me, honey, baby,
You know you're my one desire
Yes, you are
