

Smash Mouth

Why the hell we waitin' in line?
 A billion cars in front and behind
 We're going the way of the dinosaur
 And they'll make petrol out of us next time
 And everything would be all right
 If this coffin that I'm in was a kite
 I'd sail on home to my TV set
 I'm glad Sopranos are on Sunday night
 Hey you in the car in front of me
 I've got a message for you
 Could you pass it on to
 The guy sittin' in the car in front of you
 Ask him to pass it along, too
 If we all drive 25
 We're getting nowhere
 If we all drive 75
 We'll get there faster
 If we all drive 105
 We'll get to heaven on time
 Bumper-to-bumper grumps
 All racing to get over the hump
 Then we realize what's on the other side
 And it's no wonder why we come undone
 But I don't let it get me down
 I'll just take a look around
 My windshield is a movie screen
 And everybody's actin' like a clown
 Hey you in the car in front of me
 I've got a message for you
 Could you pass it on to
 The guy sittin' in the car in front of you
 Ask him to pass it along, too
 If we all drive 25
 We're getting nowhere
 If we all drive 75
 We'll get there faster
 If we all drive 105
 We'll get to heaven on time
 And in the endzone, we see a couch
 With our TV dinner eyes
 So if you see my window rollin' down
 I've got a chainsaw for a mouth to cut you down to size
 Hey you in the car in front of me
 I've got a message for you
 Could you pass it on to
 The guy sittin' in the car in front of you

Ask him to pass it along, too
If we all drive 25
We're getting nowhere
If we all drive 75
We'll get there faster
If we all drive 105
We'll get to heaven on time
If we all drive 25
We're getting nowhere
If we all drive 75
We'll get there faster
If we all drive 105
We'll get to heaven on time
