

Song of I (feat. Sophie Hunger)

Steven Wilson

I'm truly sorry but
This is my addiction
You're deep in my system
In my system I gave it all up
I gave it up to show you that I care
To show you that I could
But don't you ever ask me to give up you I gave up all the late nights
I gave up hunting bars
I gave up all the drinking
And trashing all the cars
I gave it all up
I gave up all the gambling
I gave up picking fights
I gave up saying sorry
I gave up being polite
I gave it up
I gave it all up I gave it up
You are mine
I gave it all up I gave it up
You're in mind
I gave it up I gave it up
I gave it all up I gave it up
I gave it all up
I gave it up
You're in mind
I gave it up I gave it up
You're in mind
I gave it up Suicide
They don't know
I gave it up
Gave it up
You're in mind You're in, you're in mind
I gave it up
You're in mind
You're in mind
