

Fools Love

Gabrielle Aplin

You know I'm not sleeping
Black coffee in the evening
Hands ticking past midnight
I even missed the fighting
I know you'll deny that
You've done this before and
Why can't you feel guilty?
You find it so easy How do you make it believable?
You're not so wonderful
It's like you know
I can't let go Chorus:
It's a fools love
Such a cruel love
Loving you
It's a fools love
Such a cruel love
Loving you Who's gonna love
Who's gonna love
Who's gonna love
Who's gonna love? Silence in the hallway
There's nothing you can say
All false information
We've love communication
There's something you've hidden
You've quietly taken
I'm forever caught up
You hold me under your thumb How do you make it believable?
You're not so wonderful
It's like you know
I can't let go (Repeat Chorus) Who's gonna love you baby? How do you make it believable?
You're not so wonderful
It's like you know
I can't let go (Repeat Chorus)
