

G-Slide (Tour Bus)

Lil Mama

If my sister tour bus ride through your town
You're gonna have a problem, tell 'em, Lil Mama Uh uh, no way, you can show me how
Uh uh, no way, you can show me how
Uh uh, no way, you can show me how
You can show me how to G-slide Lil Mama tour bus might ride through your town
Take her time, show you how to do the G-slide
Let me show you how to G-slide
Let's go Lil Mama get it poppin' put in work G-slide for me
Hey, G-slide with me
Hey, G-slide with me Lil Mama get it poppin' put in work G-slide for me
Hey, G-slide with me
Hey, G-slide with me When I bump up on the track it's like whoop there it is
From the block parties to house parties I gets it in
Imma bump my business and that's exactly what I meant
Young beast from the east so you know I puts it in I'm that ghetto gorgeous gangsta girl
About to fly east line national
By the way that I bounce on the track
You ain't never see a girl like this, oh no My whole scene fly high, we ride until we die
Run into dudes who be yappin' and always tryin' to get by
But I don't hear, it goes in one ear and out the other
Told him how to G-slide and he told his mother
Get, get down big Mama, I can dig it, you got it
But when my track starts to G a stampede startin' Lil Mama tour bus might ride through your town
Take her time, show you how to do the G-slide
Let me show you how to G-slide
Let's go Lil Mama get it poppin' put in work G-slide for me
Hey, G-slide with me
Hey, G-slide with me Lil Mama get it poppin' put in work G-slide for me
Hey, G-slide with me
Hey, G-slide with me New shirt, new kicks, new pants
G-slide's the new dance
No auto maw, we live in the new times
Lil Ma was the artist for me is the new grime More money, more money, more shine
She the princess of the city, I'm her son, boy Shine
Chocolate dimes, shorty got cake like, uh
Duncan Hines, come on G-slide baby They be callin' me T in the hood 'cause I bring the pain daddy
And when its time to hold it down I make it rain daddy
That mean you got to feel me 'cause I might make it flood
And if your G-slide slow you better pick it up G-slide with me, be shy do it

See shorty lookin' at me from the side viewin'
I'm 'bout to pick him up and show him how to do it
Slide right, slide left, take your time Lil Mama tour bus might ride through your town
Take her time, show you how to do the G-slide
Let me show you how to G-slide
Let's go Lil Mama get it poppin', yeah stand on the streets so the people yell
Just lookin' at me like no fair, I'm here, no fair
And my heart for none of you girls, I bet you verse me make no losses
I switch verses like sauces like prego so be cautious She so hot when I bubble I'm bound to poppin'
And if you tip, try to touch you might end up with red spots
When it's hot, then it's hot, if it ain't, then it's not
No way you gonna come for this numero uno spot 'Cause I spot little creatures trying to turn beast, go feast
They vegetarians, I'm red meat
And it's no way they could see me while I do it for TV
In the hood, in the hood is probably where my bus be Lil Mama tour bus might ride through your town
Take her time, show you how to do the G-slide
Let me show you how to G-slide
