

Something to Lust About

Scarlet

Advisory - the following lyrics contain explicit language:

i am the savior of rock 'n roll
i am your electric shock control
you feel me up and you feel me out
i give you something to lust about
deep sleep dirty and cheap
and i'll make you weak
i'll make you flawed
let me seduce you
let me reduce you

i'm so much larger than life
i am the savior of rock 'n roll
let me smell your longing
let me make you nothing
i will take you where you need to go
