In Your Own Time

Keane

You've got nowhere to go
got no way out of this hole
got no one to say "Its all just the way things are"
Wouldn't it be good
to look into a brighter day?
It's just the way things are
In your own time
there's no map to guide our way
So I say nothing, you say nothing
in your own way
Thought I could help you find your place
but I'm as lost as you are lost these days
Oh wouldn't it be fine
to close your eyes and see something
something more than this?
In your own time
there's no map to guide our way

so I say nothing, you say nothing
in your own way
Thought I could help you find your place
But I'm as lost as you are lost
it's not the way
Things are going to change, you know
The battles you have fought won't go to waste, you know
If things are gonna change, it just takes time.
Oh, in your own time
there's no map to guide our way
so I say nothing, you say nothing
in your own way
Thought I could help you find your place
But I'm as lost as you are lost
It's just the way
It's just the way
It's just the way
It's just the way
