Not The Only One

Bonnie Raitt

I was in a daze, movin' in the wrong direction
Feelin' that I'd always be the lonely one
Then I saw your face, on the edge of my horizon
Whisperin' that I wasn't the only one
The lonely oneOne chance intervention, see what it can signify
The slightest misapprehension, baby
And we'd have passed each other by
When I heard your sweet voice callin'
Saw your light come shinin' through
I couldn't stop my heart from turning
Churnin' out my love for youI was in a daze, movin' in the wrong direction
Feelin' that I'd always be the lonely one
Then I saw your face, on the edge of my horizon
Whisperin' that I wasn't the only one
That lonely oneTrue love or perfection
It seems like it's overdue
Then just when you least expect it
It comes sneakin' up on you
When I thought that I was dreaming
Felt your body close to mine
Now love takes on a different meaning
Together till the end of timeI was in a daze, movin' in the wrong direction
Feelin' that I'd always be the lonely one
When I saw your face, through the web of my confusion
Whisperin' that I was not the only one
The lonely one, oh the lonely one, ooh babyNot the only one
I'm not the only one
I'm not the only, only, only one, baby, ooh
I am not the only one
