Walk it out

Jennifer Hudson

You must have the right producer
With a know how
Of putting tracks together on a good recordingYou must have the right producer
With a know how
Of putting tracks together on a good recordingYou got me hypnotized
You got a look and a smile that money can't buy
Walk it out with me
Walk it out with me
Walk it out with me ohI got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me
Walk it out with me ohHey baby
Hey, hey hey hey hey
I just moved in to town
I'm lost, can you show me the way, way, way
If I inconvenienced you, you can have me another wayWho me, excuse me, hmm keep on working
If I didn't know no better, I'd think that you was flirting
Whispering sweet nothings in my ear, ear ear
Working on all 'em excuses to get up in hereAnd boy you talking good shit
And I swear that you could get it
I'm a good girl, I gotta think about my image
Would give it to you, but I'm sorry
I'm not just anybodyYou got me hypnotized
You got a look and a something money can't buy
Walk it out with me
Walk it out with me
Walk it out with me ohI got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me
Walk it out with me ohHey baby
Hey, hey hey hey hey
Can we re-schedule, we can do this another day day day
Fuck it, let's do this today
I know you want to
Take me to your room
And I wanna go your way way way
But you gotta treat me like a lady

We should just get to know each other yeah
And the man will go all the way way way
But not on the first date yeahYou got me hypnotized
You got a look and a something money can't buy
Walk it out with me
Walk it out with me
Walk it out with me ohI got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me
Walk it out with me
Walk it out with me ohI'll be on, I'll be on, I'll be, I'll be on that good shit
I'll be on, I'll be on, yup
On that hood shit
You gotta pin me out
Let me show you how
To approach me now
If you do it right you can turn me out (slowly down)
I'll give it to you now
Boy what you talkin' about
If you wanna get me gotta work for me, now baby get at it ohYou got me hypnotized
You got a look and a something money can't buy
Walk it out with me (walk it out)
Walk it out with me (Walk it out)
Walk it out with me oh (walk it out with me)I got you hypnotized
I got the staring and from the look in your eyes
You wanna walk it out with me (walk it out with me)
Walk it out with me (walk it out with me)
Walk it out with me ohWhoa, walk it outYou must have the right producer
With a know how (walk it out)
Of putting tracks together on a good recordingWalk, yeah baby
Oh yeahYou must have the right producer
With a know how
Of putting tracks together on a good recording
