Private Parts

Halestorm

Baby forgive me..
Did i do something wrong..?
I dont wanna talk..
Cant we just let it go..?
What could be so bad,
That you'd leave me hangin on?
Im not doing time.
This is not a scene of a crime..
I lay in bed at night contemplating.
Why the hell you gotta keep me waiting..?
Everytime i try to get a little closer,
You shut down and the conversations over..
I'm right here,
But you leave me in the dark.
Show me your private parts!
Give it up baby,
What are you afraid of?
Love sucks,when you don't know what its made of..
We get naked,
But i can't undress your heart.
Show me your private parts!
(Show me your private parts)
Show me your private parts!
(Show me your private parts)
I can't remember,
The last time that this felt real..
I would've cut you out!
If i didn't love you..
And how can you blame me,
For feeling the way i feel...?
Im not blaming you!
Im just trying to figure it out..

I can take a little hesitating.
I'd wait forever if its worth the waiting.
Everytime i try to get a little closer,
You shut down and the conversations over..
Im right here,
but you leave me in the dark..

Show me your private parts!
Give it up baby,
What are you afraid of?
Love sucks,when you don't know what its made of..
We get naked but,
I can't undress your heart.
Show me your private parts!
(Show me your private parts)
Show me your private parts!
(show me your private parts)
They say that silence is gold..
But i think thats a lie!
You think i already know.
But i cant read your mind...
Baby forgive me..
Did I do something wrong..?
I don't wanna talk...
Show me your private parts!
Everytime i try to get a little closer,
You shut down and the conversations over..
I'm right here,but you leave me in the dark..
Show me your private parts!
Give it up baby,
What are you afraid of?
Love sucks, when you don't know what its made of..
We get naked,
But i can't undress your heart.
Show me your private parts!
(Show me your private parts)
Show me your private parts!
(Show me your private parts)
Show me your private parts!
(Show me your private parts)
