Helmet In The Bush

Korn

{Hello?
Esta Caco? Eres Caco? Pues
You know, you fuckin' call me tha Caco?
Okay?}
I keep askin', what's your lie?
It is disturbin', it squeezes mine
Days keep passin', one notch at a time
I don't feel right, please God let me sleep tonight
Every day confronted, fuck off, it's givin' in
And I just wanna know why?
Want to give it up but I can't escape
Want to give it up but I can't escape
Want to give it up but I can't escape
Want to give it up but I can't escape
I keep askin', can you please try
It is hauntin', this tin stole mine
Days keep passin', line after line
I don't feel right, please God don't let me die tonight
(Die)
Die tonight
(Die)
Die tonight
(Die)
Die tonight
(Die)
Every day confronted, fuck off, it's givin' in
And I just wanna know why?

Want to give it up but I can't escape
Want to give it up but I can't escape
Want to give it up but I can't escape
Want to give it up but I can't escape
Please God
Please God
Please God help me
Please God free me
Please God help me
From my painful situation
Please God help me

Please God free me
Please God save me
From my painful situation
(Want to give it up, no I can't escape)
Please God help me
(Want to give it up, no I can't escape)
Please god free me
(Want to give it up, no I can't escape)
Please god save me
(Want to give it up, no I can't escape)
From my painful situation
Please God, don't let me give in tonight, please God
Oh, please God, don't let me give in tonight, please God
Oh, please God, don't let me give in tonight, don't let me die
Please God, don't let me give in tonight, don't let me die
