Working for the Weekend (Soundtrack Version)

Josh Gracin

Everyone's watchin' to see what you will do
Everyone's lookin' at you, hmm
Everyone's wonderin', will you come out tonight?
Everyone's tryin' to get it right, get it rightEverybody's workin' for the weekend
Everybody wants a little romance
Everybody's goin' off the deep end
Everybody needs a second chanceOh, you want a piece of my heart
You better start from start
You wanna be in the show
Come on baby, let's goEveryone's lookin' to see if it was you
Everyone wants you to come through
Everyone's hopin', it'll all work out
Everyone's waitin' they're holdin' out, yeahEverybody's workin' for the weekend
Everybody wants a little romance
Everybody's goin' off the deep end
Everybody needs a second chanceOh, you want a piece of my heart
You better start from start
You wanna be in the show
Come on baby, let's go, let's goYou want a piece of my heart
You better start from the start
You wanna be in the show
Come on baby, let's goYou want a piece of my heart
You better start from the start
You wanna be in the show
Come on baby, let's go
