

# Cry Like A Rainstorm

Bonnie Raitt

Life isn't easy  
Love never lasts  
You just carry on  
And keep moving fast I turned off the highway  
Pulled into town  
I'm fancy free darling  
And I've traveled round Sometimes I'm up, sometimes I'm down  
Tell me where can I run to, tell me how have I sinned  
When you cry like a rainstorm and howl like the wind  
So who shall I start with, tell me how to begin  
When you cry like a rainstorm and howl like the wind My thoughts are lost in memories  
That keep me free  
Know if all the stars were shining  
They would not help me see Don't you know that sometimes I'm up, most times down  
Where can I run to, tell me how have I sinned  
You cry like a rainstorm and you howl like the wind Well my life isn't easy  
And my love never seems to last  
So I'll keep on carrying on darling  
I'll just keep moving fast I turned off the highway  
Pulled into town  
And I'm still fancy free  
And I keep traveling round Sometimes I'm up, most times I'm down  
Where can I run to, tell me how have I sinned  
When you cry like a rainstorm and you howl like the wind  
So who shall I start with, tell me how to begin  
You cry like a rainstorm and you howl like the wind  
Cry like a rainstorm and you howl like the wind
