

No Greater Love

[K2S](#)

For the city, for the world we pray

Let Your light shine down

Come around and live in us

For the close and the far away

Everywhere You are

Everywhere

And we lift high the banner of the cross

There is no greater love than this, no love but this

Jesus Christ laid down His life for us

There is no greater love than His, no love but His

To the city, to the world we go

Set us free, heal the land

You have promised, God, You can

To the last and the least we go

Everywhere You are

Everywhere

And we lift high the banner of the cross

There is no greater love than this, no love but this

Jesus Christ laid down His life for us

There is no greater love than His, no love but His

In the poor, in the broken

In the crowded city streets

In the towers, in the money

In the strong and in the weak

In the orphans and the widows

In the churches and the bars

You are everywhere

God, You are everywhere

And we lift high the banner of the cross

There is no greater love than this, no love but this

Jesus Christ laid down His life for us

There is no greater love than His, no love but His
