

Bro Hymn

Pennywise

To all my friends present, past and beyond
Especially those who weren't with us too long
Life is the most precious thing you can lose While you were here, the fun was never ending
Laugh a minute was only beginning
Canton, Colvin, Nichols, this one's for you Ever get the feeling you can't go on?
Just remember whose side it is that you're on
You've got friends with you till the end If you're ever in a tough situation
We'll be there with no hesitation
Brotherhood's our rule, we cannot bend When you're feeling too close to the bottom
You know who it is you can count on
Someone will pick you up again We can conquer anything together
All of us are bonded forever
If I die, you die, that's the way it is To all my friends present, past and beyond
To all those who weren't with us too long
Life is the most precious thing that you can lose While you were here, the fun was never ending
Laugh a minute was only the beginning
Canton and Colvin, Nichols this one's for you
