

Be My Number Two

Christian Bautista

Won't you be my number two?
Me and number one are through
There won't be too much to do
Just smile when I feel blue And there's not much left of me
What you get is what you see
Is it worth the energy?
I leave it up to you And if you got something to say to me
Don't try to lay your funny ways on me
I know that it's really not fair of me
But my heart's seen too much action And every time I look at you
You'll be who I want you to
And I'll do what I can do
To make a dream or two come true
(If you be my)
If you be my number two And if you got something to say to me
Don't try to lay your funny ways on me
I know that it's really not fair of me
But my heart's seen too much action And every time I look at you
You'll be who I want you to
And I'll do what I can do
To make a dream or two come true
(If you be my)
If you be my number two
