All Through the Night

Jerry Douglas

Sleep my child and peace attend thee
All through the night
Guardian angels God will send thee
All through the nightSoft the drowsy hours are creeping
Hill and dale in slumber sleeping
I, my loving vigil keeping
All through the nightWhile the moon, her watch is keeping
All through the night
While the weary world is sleeping
All through the nightO'er thy spirit gently stealing
Visions of delight revealing
Breathes a pure and holy feeling
All through the night
All through the night
All through the night
