

All Through the Night

[Jerry Douglas](#)

Sleep my child and peace attend thee
All through the night
Guardian angels God will send thee
All through the night Soft the drowsy hours are creeping
Hill and dale in slumber sleeping
I, my loving vigil keeping
All through the night While the moon, her watch is keeping
All through the night
While the weary world is sleeping
All through the night O'er thy spirit gently stealing
Visions of delight revealing
Breathes a pure and holy feeling
All through the night
All through the night
All through the night
