Tell Me

Case

Damn, I got Honey right here
I like to make her go
Recipient of multiple heartbeats
I'll even tell her the true dog
I'll tell her the truth, yeah
Damn, whatever, yo, just kick it with us
Tell me what you want from me
Tell me what you like
And I'm gonna give it to you
Tell me all your secrets
Baby, I'll tell you mine
Love to make your dreams come true
I've been lonely for a long, long time
Don't quite know what love is
So I spread it around
She was from a distance, didn't know what to say
But I knew you were the one for me
The perfect one for case, you did, too
Tell me what you want from me
Tell me what you like
And I'm gonna give it to you
Tell me all your secrets
Baby, I'll tell you mine
Love to make your dreams come true
When my last love went away, how was I to know
That a love you can play for a fool
More often than you know
Yeah, guess my love wasn't good enough
'Cause she said she couldn't stay
And I find it so amazing but it's bright here today
Tell me what you want from me
Tell me what you like
And I'm gonna give it to you
Tell me all your secrets
Baby, I'll tell you mine
Love to make your dreams come true
Tell me what you want from me
Tell me what you like
And I'm gonna give it to you

Tell me all your secrets
Baby, I'll tell you mine
Love to make your dreams come true
Won't you tell me
Now tell me good, ohh
Tell me that you like it, yeah
Tell me something good
Tell me that you love me, yeah
Tell me what you want from me
Tell me what you like
And I'm gonna give it to you
Tell me all your secrets
Baby, I'll tell you mine
Love to make your dreams come true
Tell me what you want from me
Tell me what you like
And I'm gonna give it to you
Tell me all your secrets
Baby, I'll tell you mine
Love to make your dreams come true
Tell me what you want from me
