Trouble

JosÃƒÂ© James

Go on talk to me, baby,
So long, say yeah

Trouble and me, we got to try and figure out some kinda way to go,
That we know.
Trouble it meet me every time I step around, the way of danger's flow,
So we can let it go.

Say
I, I need someone like you
To understand my heart, baby and my soul.
It's on my mind, baby, it's always
Trouble, trouble, trouble,
Trouble, trouble, trouble.
And all my light lately, call on me to
Struggle, struggle, struggle,
Struggle, struggle, struggle.

Since we been apart, baby,
I can't figure out which way to go in my life.
Since you left my heart and by my side,
You'll never believe me,
But through wrong and through right.

Oh oh, say
I, I need someone like you
To understand my heart, baby and my soul.
It's on my mind, baby, it's always
Trouble, trouble, trouble,
Trouble, trouble, trouble.
And all my light lately, call on me to
Struggle, struggle, struggle,
Struggle, struggle, struggle.

Say I, I need someone like you
To understand my heart, baby and my soul.
It's on my mind, baby, it's always
Trouble, trouble, trouble,
Trouble, trouble, trouble.
And all my light lately, call on me to

Struggle, struggle, struggle,
Struggle, struggle, struggle.

Go on talk to me, baby, come on talk to me, baby,
Come on talk to me, baby, come on talk to me, baby
