Stoned Again

Norma Jean

Mama he came home stoned again last night
And it's breaking my heart what can I do
And even when he's home all we do is fight
So can the kids and I come home and stay with you
I know that he will be stoned again tonight
Cause he called to say that he'd be late again
Tonight you'll be so high he'll be out of sight
Mama he'll be mean and stoned again tonight
Stoned again it's the shame the shape he's in
Mama mama that man is stoned again
[guitar]
Mama he has been this way for so long
What he's doing to our children is a sin
I know they're much too young to understand what's wrong
When they hear me say that man is stoned again
Stoned again it's the shame the shape he's in
Mama mama that man is stoned again
