I Could Never Fall in Love With You

Tub Ring

I could never fall in love with you
You and I will never say I do
No walks in the park or kisses after dark
I could never fall in love with youNo one's coming for you through the rain
And now I need to feel your touch again
Poems I would start or lost a broken heart
I could never fall in love with youI could never fall in love with you
You and I will never say I do
No walks in the park or kisses after dark
I could never fall in love
No I could never fall in love
Yeah I will never fall in love with you
