## Mystery Skulls

I've been hellbent, baby  
Hellbent on loving you  
All day long  
Hellbent on drugs  
'Cause they turn you on  
Don't know what else to do Mmm, I've been hellbent, baby  
Hellbent on making you love me too  
Even tho now I have lots to do  
I don't know give a damn, mmm I've been hellbent, baby  
(Been hellbent, baby)  
Since too long, baby  
(Since too long, baby)  
My eyes wide shut  
(My eyes wide shut)  
And I feel your touch  
(And I feel your touch)  
Oh, I'll turn you on  
(I'll turn you on)  
You make me strong  
(You make me strong)  
Said all I need is  
All I need is  
All I need is you
