Faithfull

Pearl Jam

Plaque on the wall says that no one's slept here
It's rare to come upon a bridge that has not been around
Or been stepped on
Whatever the notions we laced in our prayers
The man upstairs is used to all of this noise
I'm through with screamingAnd echoes nobody hears it goes it goes it goes
Like echoes nobody hears it goes it goes it goes
We're faithful we all believe we all believe it {4X}And echoes nobody hears, it goes, it goes, it goes {2X}
We're faithful, we all believe, we all believe it {3X}
So faithful, we all believe, we all believe itM.Y.T.H. is?
Belief in the game controls that keeps us in a box of fear
We never listen
Voice inside so drowned out
Drowned you are, you are, you are a furry thing
And everything is you
Me you, you me, it's all related
What's a boy to do?
Just be darling and I will be too
Faithful to you
