Fuck with ya boy, come fuck with me
Come fuck with ya, fuck with ya boy
Fuck with ya boy, come fuck with ya boy Come fuck with ya boy
Come fuck with ya boy
Don't hate on me nigga
Fuck with ya boy, come fuck with ya boy
'Cause your boy gon' get richer
Fuck with ya boy, come fuck with ya boy
Come fuck with me baby
I never let no nigga play me
Ain't walking in unless they gon' pay me
Baby don't you wanna fuck with your boy?
(Oh) uh-huh, (oh) uh-huh (oh nah don't)
I'm telling you baby don't fuck with these pussy niggas no more
(Oh) nuh uh, (oh) not one (oh, nah don't)
I'm telling you baby I know that you want to fuck with your boy I'm tryna pull up in something pretty
With something pretty on my side
And girl you look perfect for the job, yeah
If I could get a second
Only want a minute, girl let me put you in it baby girl
I know you wanna ride
Ain't no need to lie
Come and be my shotgun 'cause I ain't got one
But you know I need me a hot one
Got a body on you don't you?
Probably nothing that I won't do
To you, ooh you should
Never mind what niggas say
'Cause niggas hate like hoes
These hoes gon' be mad at ya
But these hoes ain't as bad as ya, come Fuck with ya boy
I'm tryna fuck with you baby
I'm tryna hook up with you baby
I'm tryna make sure you saying
Sooner than later, that I'm the only nigga fucking you lately
See I've been watching you baby
Seen you in all of these spots you be slaying
Fucking with all of these thots I be playing
In case you forgot, I was saying Come fuck with ya boy (come fuck with ya)

Come fuck with ya boy (fuck with ya boy)
Don't hate on me nigga (don't hate on me nigga)
Fuck with ya boy, (fuck with ya)
Come fuck with ya boy (with ya boy)
'Cause your boy gon' get richer
Fuck with ya boy, come fuck with ya boy
Come fuck with me baby
I never let no nigga play me
Ain't walking in unless they gon' pay me
Baby don't you wanna fuck with your boy?
(Oh) uh-huh, (oh) uh-huh (oh nah don't)
I'm telling you baby don't fuck with these pussy niggas no more
(Oh) nuh uh, (oh) not one (oh, nah don't)
I'm telling you baby I know that you want to fuck with your boy Gimme that feeling, I know you feel me, clearly
You got that thang that I like
I need that thang in my life
I just want a second, wait a minute
Girl you the business
I got that work, just what you want
There's a seat with your name up front, come on
Get comfortable, get comfortable, I got you boo
If you with me then you could
I wanna make you my boo cud
It be you cud, 'cause you listen you should
Never mind what niggas say
'Cause niggas hate like hoes
These hoes gon' be mad at ya
But these hoes ain't as bad as ya, come Fuck with ya boy, I'm tryna fuck with you baby
I'm tryna hook up with you baby
I'm tryna make sure you saying
Sooner than later, that ain't an other biscuit fuckin' with my lady
See I've been watching you baby
Seen you in all of these spots you be slaying
Fucking with all of these thots, I be playing
In case you forgot, I was saying Come fuck with ya boy (come fuck with ya)
Come fuck with ya boy (fuck with ya boy)
Don't hate on me nigga
Fuck with ya boy, (fuck with ya)
Come fuck with ya boy (with ya boy)
'Cause your boy gon' get richer
Fuck with ya boy, come fuck with ya boy
Come fuck with me baby
I never let no nigga play me
Ain't walking in unless they gon' pay me
Baby don't you wanna fuck with your boy?

(Oh) uh-huh, (oh) uh-huh (oh nah don't)
I'm telling you baby don't fuck with these pussy niggas no more
(Oh) nuh uh, (oh) not one (oh, nah don't)
