Blk & Blu (Ft. Ed Thomas) (Calibre Remix)

Chase & Status

Build it as it was and tell them they will come
And nothing ever changed and I'm thinning
They don't even know, it's when you don't come home
Now tell it like it is for all that ever was
Just another look a fool embraced for a minute
Girl, I don't even know if you ever hurt me, get homeAnd I'll be right here singing my black and blue
I'll be right there singing my black and blue
I'll be right here, jumping at your call, never giving up
Never give up
I'll be right there singing my black and blueNow blame it on the sun, no, never on the wine
I just play along for the minute
Maybe I should think about walking you home
And everyone's involved, yeah, we are all just wild
But you never see me out here with another girl
Giving me a reason, she needs being her ownAnd I'll be right here singing my black and blue
I'll be right there singing my black and blue
I'll be right here, jumping at your call, never giving up
Never give up
I'll be right there singing my black and blue
