# Rich

## Sigmatropic

I'm rich like a hot noise, rich, rich, rich
I'll take you out boy
So stuck up, I'd wish you'd stick in to me
Flesh ripped off
Turnin' it, beatin' no beat
The walls are always speakin'
No want, no want
No want, no speakin' at all
She slipped down a rot drink unzipped
She doesn't exist so unloved
I took 'em standin' up
So stuck up
I'm rich like a hot noise, rich, rich, rich
I'll take you out boy, I'll take you out boy
Turnin' it, beatin' no beat
The walls are always speakin'
No want, no want
No want, no speakin' at all
Turnin' it, beatin' no beat
The walls are always speakin'
No want, no want
No want, no speakin' at all
Rich
Rich
Rich
