

I Wanna Talk About Me

Toby Keith

Yeah yeah

That's right

We talk about your work how your boss is a jerk

We talk about your church and your head when it hurts

We talk about the troubles you've been having with your brother

About your daddy and your mother and your crazy ex-lover

We talk about your friends and the places that you've been

We talk about your skin and the dimples on your chin

The polish on your toes and the run in your hose

And God knows we're gonna talk about your clothes

You know talking about you makes me smile

But every once in awhile I want to talk about me

Want to talk about I

Want to talk about number one

Oh my me my

What I think, what I like, what I know, what I want, what I see

I like talking about you, you, you, you usually, but occasionally

I want to talk about me

I want to talk about me We talk about your dreams and we talk about your schemes

Your high school team and your moisturizer creme

We talk about your nanna up in Muncie, Indiana

We talk about your grandma down in Alabama

We talk about your guys of every shape and size

The ones that you despise and the ones you idolize

We talk about your heart, about your brains and your smarts

And your medical charts and when you start

You know talking about you makes me grin

But every now and then I want to talk about me

Want to talk about I

Want to talk about number one

Oh my me my

What I think, what I like, what I know, what I want, what I see

I like talking about you, you, you, you usually, but occasionally

I want to talk about me

I want to talk about me You you you you you you you you you you you

I want to talk about me I want to talk about me

Want to talk about I

Want to talk about number one

Oh my me my

What I think, what I like, what I know, what I want, what I see
I like talking about you, you, you, you usually, but occasionally
I want to talk about me
I want to talk about me
