The Reckoning (Don't Tread On Me)

Iced Earth

Destiny spawned us, it's the reckoning
This time it's our blood, don't tread on me
Revenge is not justice, it's the reckoning
This time it's our blood, yeah, don't tread on meYou went too far this time, for this heinous crime
You will know defeat, begging on your knees
One by one you'll fall, your back against the wall
Nowhere to turn, you're sure to burnDestiny spawned us, it's the reckoning
This time it's our blood, don't tread on meThe hours close at hand, I'll make my final stand
Justice shall be done, nowhere to run
True evil grows in you, you're just a brainwashed fool
The coward close that hides, spewing forth his liesRevenge is not justice, it's the reckoning
This time it's our blood, yeah, don't tread on meBorn of destruction, bred in agony
Is this my salvation?
From these ashes of your devastationIf it was up to me, eye for an eye I say
With a hammer we will take, lady justice is asleep
The judgment has been made, in blood it shall be paid
Death knows what to do, the horseman comes for youDestiny spawned us, it's the reckoning
This time it's our blood, don't tread on me
Revenge is not justice, it's the reckoning
This time it's our blood, yeah, don't tread on meDestiny spawned us, it's the reckoning
This time it's our blood, don't tread on me
Revenge is not justice, it's the reckoning
This time it's our blood, yeah, don't tread on me
